MEMORANDUM FOR: [REDACTED]
Acting Chief, Finance Division

25X1A

SUBJECT: [REDACTED]

25X1A

25X1A

1. On 5 February 1952, an officer in your division consented to liquidate a balance of \$1,119.86 in the account of [REDACTED] by deducting \$150 per pay period from his salary. He was aware then that this balance had been applied by [REDACTED] without authority in contravention of Agency Regulations. By failing to bring this matter immediately to the attention of senior officers of the Agency, this officer took upon himself the responsibility for condoning this violation.

2. I expect every officer of this Agency to report any misuse of government funds to the offices of the appropriate Deputy and of the Inspector General.
